DADDY DOMS BEWARE GENERALS' DAUGHTER and BDD: JENNIE

When these two girls team up in Northern Lights, Alaska- no one knows what type of trouble they're going to find!

Jennie and her four fiances have no idea what to expect when Lt. Samantha Quimby (AKA The Siren) enters their home. Travel to the inner sanctum of the Pacific Northwest presents its own set of problems for Sam to overcome- especially being so far from the ocean and the pod. She not only has to combat homesickness, but her physical needs as well, and the strange environment threatens to cause some difficulties that her new friends don't know how to handle. Unaware of Sam's special 'skills,' the team is constantly speechless - and worried. After all, who dives to the bottom of an ice-covered lake and doesn't get cold? Or faces a pregnant, injured moose in the center of the road and doesn't get trampled? Or can stay under water an inordinate amount of time without drowning?

And that's just on the first day!

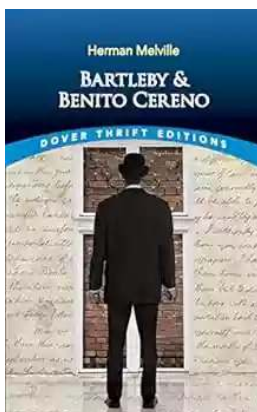

Captain Richard Lewis has wanted to pursue an age-play relationship with Sam since the first time she sassed back at him. Their D&S relationship is growing, but

Richard admits he lacks the skills and knowledge to properly pursue the lifestyle. He turns to the only people he trusts with the request for instruction- Sam's father and uncle. Together, they make the decision that Richard and Sam will stay with some old USMC friends of the Generals- and be given a crash course in living in an age-play household!

The girls become fast friends and promise to help each other break through their inhibitions and face their fears. With the sacred covenant of a pinky-swear in the works, they work to show the boys what life is like with two naughty little girls to watch over. Needless to say, Sam's stubborn need to explore the wonders of the Alaskan wilderness, coupled with a lack of fear when it comes to nature, gets her into plenty of hot water!

(This is the first book of a three book mini-series: Special Edition: Jennie and Sam. Old favorites come to life as the two families join together to learn the power of acceptance, loyalty, and unconditional love, and travel with them to discover amazing new places and events unique to the beautiful Pacific Northwest)
