Based on a dream the author had in high school-chapter 1 & 2

Crossroads

When Claudia, a seventeen-year-old girl, mysteriously wanders through her dreams, she encounters an ethereal place where nephilims reside. There, she unexpectedly meets Michael and the group of half-human angels at the Crossroads—their home and a place she never imagined existed. However, Claudia has unknowingly changed the course of her life when fallen and demons come after her, all suspecting that she is special. It is up to Michael and the other nephilim to protect her. Claudia's once simple dreams become nightmares, when more secrets are revealed about who she really is and the true identities of the people she loves most. Will Michael and the nephilims be able to protect Claudia or will she fall prey to the fallen?

Between

As the Alkins head back to Crossroads, Claudia leads her normal life, but not for long. Having a special soul, she attracts danger. The Twelve, known as Divine Elders on Earth, are very much involved when they find out evil is lurking in the shadows and Claudia is no longer safe. As more secrets are revealed, Claudia learns about the Venators—demon hunters—on Earth.

When two opposing angelic forces come together to protect Claudia, trust becomes a big issue. Will love be enough to keep Claudia and Michael together? Who will make the ultimate sacrifice? Who will betray them all?

Beyond

Torn between the past she can't remember and a future she isn't ready for,

Claudia feels at a loss. With unanswered questions, she is certain there is more to her past than just being a Venator. Finding the missing pieces in her life won't be easy because duty calls. When mysterious dark shadows get released, an apocalypse sets in motion.

The Venators and the Alkins must work together once again. Knowing Claudia would be the key to destroying the demons that were released, a familiar stranger appears to protect her. Who is the angel assisting her and can he unravel the mysteries of the past in order to help save the world.

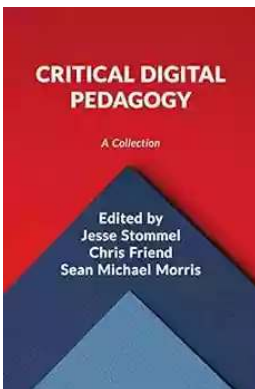

Eternity

Having happily ever after is never easy when evil lurks nearby. Now that Claudia has her memories back and her life seems to have settled down, the Fallen have come out of hiding. The Fallen coming out of hiding is not a concern, there are those who want to be left alone. However, one particular one, Dantanian, is hungry for revenge. Being one of God's first fallen angels, he is the vilest of his kind. He will do anything to get his way and he will stop at nothing to get Michael on his side. Dantanian will torture, kill for pleasure, and concoct evil schemes to get Michael's attention; and once in his hands, he will try to destroy all the happiness Michael fought so hard to gain. The Venators and the Alkins must work together once again to save their friends. As death draws near to those captured by Dantanian, will the gang reach them in time? Or will Michael return to the dark angel he once was and destroy everyone he loves?
