The Story Continues

In "And What Alice Found There," we reunite with Alice as she falls through the looking-glass once again, only to find herself in a land where things are not quite what they seem. Carroll's enchanting prose combines with his signature brand of

logic-twisting madness to create a story that captures the imagination of readers young and old.

Alice encounters an array of peculiar characters, such as Humpty Dumpty and Tweedledum and Tweedledee. The absurd conversations and nonsensical riddles they engage in add to the charm and whimsy of the narrative. Just like in the first book, Alice's encounters challenge traditional logic and immerse readers in a world where anything is possible.

Carroll's vivid descriptions paint a vivid picture of Wonderland. From the stunning landscapes to the curious creatures, readers will find themselves fully immersed in this bizarre but captivating world. You'll travel along with Alice as she navigates through forests of talking flowers, meets giant insects, and stumbles upon a chessboard inhabited by living pieces.

Themes and Symbolism

While "And What Alice Found There" is undoubtedly a delightful adventure, it also touches on thought-provoking themes and symbolism. Carroll's clever use of wordplay and hidden meanings adds depth to the narrative. Through Alice's encounters, we explore concepts such as identity, perception, and the fluidity of reality. The book encourages readers to question societal norms and think beyond the boundaries of traditional thinking.

A Timeless Classic

"And What Alice Found There" might not have gained the same level of popularity as its predecessor, but it remains a remarkable piece of literature that deserves recognition. The Macmillan Collector Library Edition brings this often overlooked gem to new audiences, combining beautiful design with Carroll's imaginative world. Whether you are a long-time fan of Alice's adventures or new to the series,

this edition will enhance your reading experience and become a cherished addition to your bookshelf.

Step into the enchanting world of "And What Alice Found There" with the Macmillan Collector Library Edition. From its captivating story and incredible illustrations to its thought-provoking themes, this book is a must-read for any fan of Lewis Carroll's whimsical tales. Immerse yourself in Wonderland once again and let your imagination run wild!
