In *A Voice Becoming*, Beth Bruno helps mothers cast a Godly vision for their daughters and chart a course that will prepare their daughters for womanhood.

What if you as a mother concentrated on your daughter for one year? Who might she become? *A Voice Becoming* is for moms who want to usher their daughters into womanhood but know they need more than tips, techniques, and programs. This is for moms who desire to chart a course for their daughters that helps them know the story of God they are entering and the global sisterhood of women they are joining.

A Voice Becoming is written by a fellow sojourner, still in the middle of the journey, processing her own story as she casts a vision for her daughter to

discover hers. Sometimes road maps are too restrictive and a friend is needed who has made the journey already. Beth Bruno seeks to activate moms by infusing them with hope and vision. Readers will join Beth in a yearlong journey of teaching their daughters that women lead, women love, women fight, women sacrifice, and women create. Moms learn how to use film and books, tangible experiences, volunteering, interviewing other women, traveling, and more in a creative and life-altering way to help solidify these important concepts in the mind and life of their young teen.
