Hawaii is one of the world's leading tourist destinations. It has a number of islands that the visitors can explore and discover. Each island has some variation from the other. It is this diversity that makes the Hawaiian Islands so much popular among the tourists of the world.

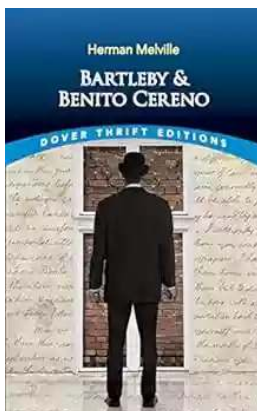

One of the very old islands of this region is Kauai. It has a very dense rainforest plantation along with canyons that are very deep. The sea cliffs also present a breathtaking view to the spectators.

Since a very long time the Island is synonymously called the Garden Isle because it has a beautiful array of flowers and dense plantation all around. Many also called this island, the Island of Discovery, because there is so much to see (and

discover), endless activities that you can indulge in when you visit this amazing place.
