February 14th, 2018 was a day that will forever be etched in my memory as one of the most magical days of my life. I had the opportunity to visit the mesmerizing city of Pattaya in Thailand and experience a day filled with enchantment, excitement, and joy.

A Vibrant City of Wonders

Pattaya, situated on the eastern coast of the Gulf of Thailand, is renowned for its vibrant nightlife, beautiful beaches, and plethora of entertainment options. However, it wasn't just the lively atmosphere that captivated me; it was the magical aura that engulfed the city on that particular day.

An Epic Beach Adventure

The day began with a visit to one of Pattaya's pristine beaches. As I walked along the shoreline, the golden sands warmed my feet, creating an exquisite sensation. The crystal-clear turquoise waters sparkled under the sun, inviting me to immerse myself in their embrace. I couldn't resist the enchanting call and jumped into the cool waters.

As I swam, playful dolphins appeared in the distance, gracefully leaping out of the water. It felt like a scene from a fairy tale. I watched in awe as they danced through the waves, leaving me spellbound.

The Enchanting Sanctuary of Nong Nooch Garden

After my beach adventure, I embarked on a journey to the Nong Nooch Garden, a captivating botanical paradise. This haven of enchantment is home to a myriad of

breathtaking flowers, lush greenery, and intricate sculptures.

Walking through the garden felt like stepping into a secret world. As I strolled along the winding paths, the fragrant aroma of the orchids filled the air, creating an ethereal ambiance. The vibrant colors and intricate designs of the flowers left me in awe of nature's beauty.

A Magical Elephant Encounter

One of the most memorable experiences of the day was getting up close and personal with the gentle giants of Thailand, the elephants. At the Elephant Village, I had the opportunity to interact with these majestic creatures in a responsible and ethical way.

I fed them their favorite treats, bathed them, and even got to ride on their backs. It was truly a magical experience to bond with these incredible animals and witness their intelligence and gentle nature up close.

Awe-Inspiring Cultural Shows

No visit to Pattaya would be complete without witnessing the mesmerizing cultural shows the city has to offer. It was like stepping into a time machine and being transported to ancient Thailand.

The traditional dance performances showcased the rich cultural heritage of the country, with elaborate costumes, graceful movements, and enchanting music. It was a visual feast for the eyes and a celebration of Thailand's vibrant traditions.

Celebrating Love and Magic

As the day came to a close, I couldn't help but reflect on the surreal experiences I had encountered. Pattaya had weaved its magic on me, and I felt a deep sense of gratitude for being able to witness its beauty and charm.

February 14th, traditionally known as Valentine's Day, had become more than just a celebration of romantic love for me. It had become a day of love for life, nature, and the remarkable destinations that make our world so extraordinary.

The Memory Lives On

Now, whenever I close my eyes and think back to that magical day in Pattaya, I am filled with warmth and joy. The images, sounds, and emotions come flooding back, reminding me of the beauty that exists in the world and the power of travel to ignite our senses.

Pattaya, with its vibrant streets, captivating beaches, and mesmerizing attractions, will forever hold a special place in my heart. It taught me that magic is not just confined to fairy tales; it can be found in the most unexpected places if we open our hearts and minds to the wonders that surround us.

For my 5th visit to the Kingdom of Thailand, I chose Pattaya, a coastal resort city about 100 km (62 miles) southeast of Bangkok on the Gulf of Thailand. According to Wikipedia, the Pattaya Bay area is one of Asia's largest beach resorts and the 2nd most visited city in Thailand, after Bangkok.

This eBook chronicles that amazing Pattaya trip, taken February 7-14, 2018, describing all the sights, sounds, and magic of my annual mid-winter escape from Tokyo's brutal winter.

Highlights of the adventure include the breathtaking aerial view of Mt. Fuji, the Sanctuary of Truth, the Art in Paradise 3D optical illusion museum, the Pattaya Floating Market, Underwater World Pattaya, the motorcycle-driven mobile

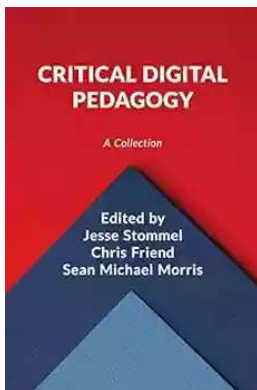

women's bra, shoe, and dress shops, and of course, all the stunning sunsets, all of which I share with you in this eBook.

In this eBook, readers will be treated to 30 photos, and links to 27 video clips in my Pattaya video at YouTube. I sincerely hope you will enjoy reading this documentation of my February 2018 Pattaya adventure, and that you will find at least part of it informative or interesting, just as if you were taking the trip with me!
