Imagine yourself walking into a restaurant and being able to book a table in Spanish, request a menu, order some wine or beer and ask for the bill!

Or, being able to purchase two return train tickets, book yourself into your hotel, ask directions ... the list goes on. Knowing these essential holiday phrases will help you connect with the locals on a completely new level, not to mention how it will impress your friends and family.

At the back of the book you will find a really handy reference section. Simply turn to the page that relates to your situations, whether it's in a shop, in the hotel, at the bar or any of the 28 different situations you are most likely to find yourself in.
