If God were throwing a party, would everyone be invited?

Or does God invite some and not others?

And if so, how does God decide?

Is it what you say?

Is it what you do?

Is it what you're going to do?

Is it who your friends are?

Or what your friends do?

Or what religion you happened to be born into?

Or where you live, or what you look like, or what you believe?

What if the idea of heaven and hell that we have been taught is not, in fact, what the Bible teaches? What if Jesus meant something very different by the concepts of heaven, hell, and salvation from how we've come to understand them?

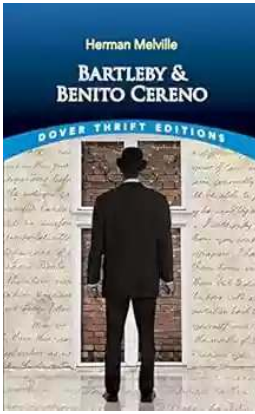

And what if the answer to life's meaning is much better than we ever imagined?

In his teen edition of the bestselling book *Love Wins*, Rob Bell tackles all these questions in a way that addresses the real challenges of growing up in today's world. This is not just a book of questions and this is not just a book of answers.

This is a book of exploration.

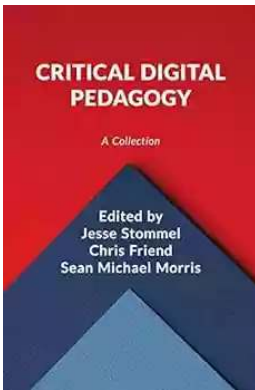

This is a book of discovery.

This is a book about why love wins.
