Jane's first foray into artifact hunting took her deep into the heart of the Amazon rainforest. Armed with her extensive knowledge, a steely resolve, and her trusty machete, she braved the wilderness to uncover a hidden temple submerged within the lush jungle. Inside, she discovered an ancient artifact that held the key to a lost civilization, sparking her relentless pursuit of the unknown.

**With each artifact she uncovers, Jane unlocks countless stories of ancient civilizations. Her expeditions have taken her across the globe, from the sweltering deserts of Egypt to the sprawling ruins of Machu Picchu. Along the way, she has battled treacherous terrain, faced enigmatic puzzles, and encountered fierce adversaries eager to claim the artifacts for themselves.**

**One of her most remarkable adventures took her deep into the heart of the African rainforest, where she stumbled upon the forgotten city of Zangara. Lost to time, this ancient enclave held untold riches and hidden traps. As Jane explored the city's crumbling architecture, she found herself entangled in a web of ancient curses and subterranean labyrinths. It was a battle of wit and willpower that**

Isaac Wolf can travel through time. But he's also in a race against it.

With tensions in Prague rising at the height of World War II, Isaac Wolf is forced to leave home with nothing more than a small backpack and a pendant in the shape of an eternity knot. His parents believe the pendant will keep him safe--if he can discover what it really means.

This clue leads him to Rookskill Castle, home of the Special Alternative Intelligence Unit where gifted children can learn to harness their powers to support the Allies' cause. With the help of his new friends and an antique watch that allows him to travel through time, Isaac must unlock his own powers and uncover the true meaning of the eternity knot. The only way he can do that, though, is by hunting for a series of magical artifacts that are scattered throughout the past . . . and Isaac isn't the only artifact hunter. Soon he finds himself in a race against a threat just as deadly as the war itself--one that his parents had been trying to shield him from all along.
