The U.S. Naval Institute Chronicles series focuses on the relevance of history by exploring topics like significant battles, personalities, and service components. Tapping into the U.S. Naval Institute's robust archives, these carefully selected volumes help readers understand nuanced subjects by providing unique perspectives and some of the best contributions that have helped shape naval thinking over the many decades since the Institute's founding in 1873.

Meeting the challenges of gender integration has been a “joint” operation that has encompassed all of the armed forces. This edition of Naval Institute Chronicles tells a significant portion of the evolutionary and revolutionary transition from the days of “yeomanettes” to today’s Navy—where women command ships and wear admirals’ stars.
