Love triangle—motive for double murder?

First loves are never forgotten. Ever. Certainly not for Tommy "Pancake" Jeffers. His first-kiss, sixth-grade love, Emily, who he has not seen since grammar school, is sliding toward divorce in the artsy Gulf Coast town of Fairhope, Alabama. Longly Investigations has been charged with looking into the finances involved.

When Emily doesn't appear for their nervously anticipated meeting, Pancake's radar goes on high alert. Her body, along with that of Jason—one of two guys she has been dating—is found murdered, execution-style, Pancake calls in Jake, Nicole, and Ray.

Who would have done this? Could it be the soon-to-be ex, who has an ironclad alibi; the other guy Emily was seeing—jealousy being a motive for harm; or do the drugs found in Jason's pocket indicate a drug-related hit? That world yields a host of suspects.

As they peel back the layers of this idyllic community, dark secrets come to light and convoluted motives and methods of murder are revealed.
