From geopolitics to environmental crises, technological advancements to social movements, this handbook covers it all. Its meticulously researched chapters provide a wealth of information, enabling readers to gain an in-depth grasp of each topic. The handbook acts as a guide, shedding light on the interconnectedness of various issues we encounter on a daily basis.

What sets this edition apart from others is its ability to present both historical context and current analysis in an engaging manner. The authors have managed to strike a perfect balance, allowing readers to understand the roots of the issues while also exploring their current manifestations.

Each chapter offers a well-structured overview followed by analytical insights, expert opinions, and recommended further readings. This ensures that readers not only gain knowledge but also have the resources to delve deeper into areas of particular interest.

Key Features and Benefits

The Reference Handbook 2nd Edition Contemporary World Issues comes with a plethora of remarkable features that make it an indispensable tool for anyone interested in global affairs:

- **Comprehensive Coverage:** With 25 chapters covering a wide range of topics, including politics, economics, social issues, and more, this handbook offers a comprehensive exploration of the contemporary world.
- **Expert Perspectives:** Written by renowned experts in their respective fields, the chapters provide thoughtful analysis and diverse viewpoints that enrich the reader's understanding.
- **Accessible Language:** The language used throughout the handbook strikes a balance between academic rigidity and accessibility, making it suitable for both scholars and general readers.
- **Up-to-Date Information:** The 2nd Edition ensures the inclusion of the latest developments in each topic, making it a reliable source of current knowledge.
- **Engaging Illustrations:** The handbook incorporates visual aids, such as graphs, charts, and maps, to enhance the reader's comprehension and

provide a visually stimulating experience.

Why You Need the Reference Handbook 2nd Edition

With an ever-evolving world, staying informed about the pressing issues that shape our global affairs is essential. The Reference Handbook 2nd Edition Contemporary World Issues equips you with the knowledge and understanding needed to navigate the complex challenges of today and tomorrow.

No matter your background or interests, this handbook will empower you to engage in informed discussions, develop critical thinking skills, and widen your perspectives. It bridges the gap between academia and the general public, making it a valuable addition to both personal and professional bookshelves.

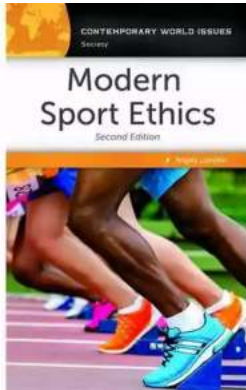

Whether you are a student striving to excel in your studies or an individual driven by curiosity, this reference handbook will serve as your go-to resource for years to come.

The Reference Handbook 2nd Edition Contemporary World Issues is a comprehensive and illuminating guide to understanding the intricacies of our world. Its thorough coverage, insightful analysis, and accessible language make it an invaluable tool for anyone seeking to delve into contemporary global matters.

Empower yourself with knowledge, broaden your horizons, and gain a better understanding of the world around you. The Reference Handbook 2nd Edition Contemporary World Issues will undoubtedly enrich your perspective and help you navigate the challenges of our time.

Who is coming into the United States illegally and why? What compels people to leave their country of origin? Is the United States responsible for taking care of the more than 11 million individuals who are here illegally? Are illegal immigrants helping or harming our nation's economy and infrastructure? Should our borders be "secured" as called for by many politicians? This book examines the history of illegal immigration in the United States, addressing the tough questions about the issue and describing in detail the most significant issues and events in recent decades. It succinctly tackles the topic of illegal immigration without bias, explores the myriad of problems and controversies that have arisen due to illegal immigration, and explains how lawmakers have historically tried—and continue to try—to solve these issues.

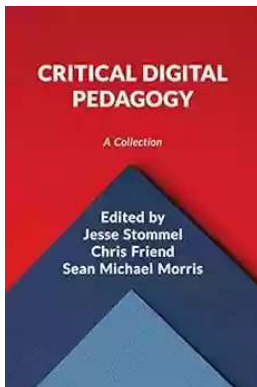

This thoroughly revised and updated second edition of *Illegal Immigration: A Reference Handbook* covers the debate over the vexing and seemingly intractable illegal immigration problem from all angles and updates the discussion to 2015. It covers the key court, executive, and legislative-branch actions on the matter and examines both state and national-level government attempts to cope with illegal immigration. The book also contains a variety of primary source documents in summary format that cover all the key laws enacted, presidential or

state governor's executive actions taken, and key court decisions since 1985. These documents not only provide factual data but also give context that allows readers to better grasp the complexity of the problem and the difficulty in trying to improve the situation through regulation.
