## **Step 5: Knitting the Legs and Ears**

For the legs and ears, we will knit small rectangles and fold them to create the desired shape.

Legs: Cast on 4 stitches and knit every row until you have the desired length for the legs. Bind off the stitches and repeat for the second leg.

Ears: Cast on 2 stitches and knit every row until you have the desired length for the ears. Bind off the stitches and repeat for the second ear.

2. Place the ears on the head and sew them securely into position.

## **Step 7: Stuffing and Finishing**

Fill the body cavity with polyester fiberfill or cotton filling to give your wool dog a plush appearance. Adjust the amount of stuffing based on your desired level of firmness.

Once the body is stuffed, sew the opening closed using the yarn needle and the long tail from the body.

Finally, trim any excess yarn and give your new wool dog a gentle fluff. Congratulations, you've completed your wool dog!
