Samples of passing essays posted by the Board in recent years (since Vital Bar Prep was published) clearly are written by students who purchased Vital Bar Prep. Our material was planned, written, and organized by someone with over 30+ years of very high level legal experience working on multi-million dollar cases. The writing and the material is readily identifiable and recognizable as that from the Vital Bar Prep author.

You may notice a negative comment on some of the Vital material by a "Linda Yin Liang." We believe she is a paid troll, if this is in fact the real name of the poster. THIS IS ACTUALLY DEFAMATION ACTIONABLE UNDER THE LAW. Comments are dated 8/6/17, days AFTER the Bar Exam. Results released mid to late September. Students are not seeking study material right after exam. Those using Vital for law school exams purchase AFTER classes resume at the end of August. Also, her negative comments are on three different products. No sane person comments that a product/company is a fraud, and then purchases/reviews more material from the same company, in same line of products. Moreover, those studying do NOT HAVE TIME to post comments online; NO ONE takes time after the exam (when they crash, rest, relax after a 12-week, around the clock cramming session) to post comments.
