Two men discover they have more in common than they ever imagined as they while away the night on the last train from Holyhead. A paradigmatic interrogation of Ireland's societal ills in a bygone age which distorted its citizens' lives all the way to the grave. Full of wit, humanity and pain, this tour de force of psychological realism unearths large truths from a small fiction that delivers to resonate as a story you will remember and are sad to have heard as you step off the train.
