Welcome to the world of The Grade Cricketer. Described as the most original voice in cricket, The Grade Cricketer represents the fading hopes and dreams of every ageing amateur sportsman.

In this tell-all 'autobiography', The Grade Cricketer describes his cricketing career with unflinching honesty and plenty of humour, in turn providing insights into the hyper-masculine cricket 'dressing room'.

This one-time junior prodigy is now experiencing the lean, increasingly existential years of adult cricket. Here, he learns quickly that one will need more than just runs and wickets to make it in the alpha-dominated grade cricket jungle, where blokes like Nuggsy, Bruiser, Deeks and Robbo reign supreme.

Through it all, The Grade Cricketer lays bare his deepest insecurities - his relationship with Dad, his fleeting romances outside the cricket club - and, in turn, we witness a gentle maturation; a slow realisation that perhaps, just maybe, there is more to life than hitting 50 not out in third grade and enjoying a few celebratory beers afterwards.

Or is there?

The Grade Cricketer book is based upon the popular Twitter account, @gradecricketer, which has received critical acclaim for its frighteningly honest portrayal of amateur cricket.

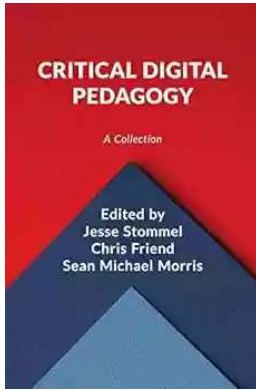

Now, the time has finally come for this middling amateur sportsman to tell his story in full.

'The Grade Cricketer is the finest tribute to a sport since Nick Hornby's Fever Pitch, and the best cricket book in yonks. It's belly-laughing funny but it's also a hymn to the grand and complex game delivered with a narrative pace and ability I'm afraid most Test players don't have. For anyone who ever dreamed of excelling at a sport but never quite made it but still gave it your life, this is the story. A great read!' - Tom Keneally AO.
