What sets Mel Churcher's workshop apart from others is her emphasis on the practical aspect of screen acting. Participants will have ample opportunities to work on scenes and receive valuable feedback from both Mel Churcher and their peers. This hands-on approach allows actors to refine their skills in a supportive and collaborative environment.

Workshop Highlights

During Mel Churcher's workshop, participants will engage in a variety of activities and exercises aimed at expanding their range as actors and capturing the attention of casting directors and audiences alike. Some of the highlights include:

1. Scene Study

Participants will have the chance to explore and dissect scenes from various films and TV shows, understanding the nuances of character development and effective storytelling. Through this process, actors will learn to bring depth and authenticity to their performances.

2. Emotional Truth

Emotional honesty is crucial for captivating screen performances. Mel Churcher will help actors explore their emotional range, allowing them to access deeper emotions and deliver powerful and compelling performances.

3. Audition Techniques

Auditions can be nerve-wracking, but with Mel Churcher's guidance, participants will learn how to stand out from the competition. From choosing the right monologue to mastering the art of self-taping, actors will gain the confidence and skills needed to leave a lasting impression on casting directors.

4. Collaboration and Feedback

Acting is a collaborative art, and receiving feedback is essential for growth. Throughout the workshop, participants will work closely with their peers, engaging in scene work and providing constructive criticism. This collaborative environment fosters growth and allows actors to learn from one another.

A comprehensive training course in screen acting by an internationally renowned teacher and acting coach who has worked with actors of all backgrounds and experience - from drama school students at the start of their careers to Hollywood stars, including Daniel Craig, Angelina Jolie and Keira Knightley.

Structured as a series of five workshops, Mel Churcher takes you step by step through the process of creating, developing and delivering assured performances on screen. Online video clips, linked to throughout the book, show you all the work in action, allowing you to participate in the exercises as you progress through the workshops at your own pace.

- Workshop 1: Keeping the Life encourages you to find what is unique about yourself and how you can preserve this vitality when acting on screen
- Workshop 2: Inhabiting the Role focuses on the emotional and psychological steps required in preparing your performance
- Workshop 3: The Physical Life introduces a series of practical exercises to develop the physicality and imagination of the actor

- Workshop 4: Through the Eye of the Camera explains the technical skills you must master to act in front of a lens
- Workshop 5: Off to Work We Go covers how to prepare for auditions and then how to handle specific challenges when you get the job

Each exercise, technique and tip is vividly illustrated in the clips by footage from the author's actual workshops. The result is a vital masterclass in every aspect of acting on screen.
